Information**

## Aims & Objectives

The CFSA is a non-profit organization established in 1971 to promote fire safety through seminars, safety training courses, informative Quarterly newsletter, scholarships, regular training seminars and technical sessions.

## Membership

Our membership represents a broad cross section of government, business and education including Architects, Engineers, Fire Officials, Building Officials, Fire Protection Consultants, Manufacturers, the Insurance Industry, Teachers and Students.

## Associate Membership

Members reside 500+ km from Toronto – Keep up to date with the latest in fire safety news, receiving CFSA journals and attending meetings when possible.

## Provincial/Territorial Chapters

Groups of members – Includes 4 individual memberships; member rate at all CFSA activities; recognition in CFSA newsletter.

## Services & Activities

Training seminars and technical sessions provide an opportunity for members to hear knowledgeable speakers and to exchange views on a wide variety of fire safety topics.

Our Association has been instrumental in evaluating and recommending new Canadian fire safety standards.

## Why Corporate Membership?

Corporate Membership is cost effective because it allows any number of individuals from your organization to participate in the many functions provided by CFSA throughout the year. Any number of persons can attend our training seminars/technical sessions or our annual Education Forum at the preferred member's rate. Your advertisement in the CFSA newsletter is circulated to CFSA's membership of over 250 professionals in the Fire Safety Industry.

### *Corporate*

Includes 5 individual memberships; Company recognition in each of the four issues of the CFSA newsletter.

### *Corporate Plus*

Includes 10 individual memberships; Company recognition and a 1/2 page advertisement in each of the four issues of the CFSA newsletter.

## Reasons to Join CFSA
